Each year Kentucky's college-bound students receive millions of dollars in state and federal aid. The first step in receiving these monies is completing your FAFSA on time. During 2005, the Kentucky Higher Education Assistance Authority (KHEAA) disbursed \$164.5 million directly to students from state student aid programs, including \$75.4 million in need-based grants and \$81.3 million in merit-based, Lottery-funded Kentucky Educational Excellence Scholarships. The Student Loan People offer loan-forgiveness programs for teachers, nurses, and public service attorneys. To find out more information, visit www.courierjournal.com/gohigherky/.
